Transform Vision into Reality

Every product we offer is a testament to our unwavering dedication to quality, innovation, and the well-being of pets and their families. We are committed to delivering thoughtfully designed, high-performance products that not only meet but exceed the expectations of modern pet owners

We believe that every pet deserves the best care, comfort, and happiness. Our team, a blend of passionate pet enthusiasts and industry professionals.

Quality is at the cornerstone of our business. We ensure our products are not only of the highest standard but also contribute to the overall wellbeing of pets.

Through constant innovation, unwavering quality, and great service, we're committed to making "Your Pet Deserves The Best" a reality for pet owners globally.

Leather Pet Accessories

Classic Collar

A classic, solid leather design that exudes both elegance and durability. The simplicity of the design makes it versatile and timeless, suitable for any breed or occasion.

Collars with Strap Designs

A unique blend of style and durability, featuring a distinctive strap design that wraps around the main body of the collar, crafted from a strong, high-quality leather material that ensures it can withstand the rigors of daily use.

Collars with Rivet Decoration

A stylish and durable design, featuring rich brown leather construction with a series of metal rivets and a braided detail that adds a touch of sophistication and uniqueness to its appearance.

Collar with Aesthetic Elements

A unique and eye-catching accessory for dogs, featuring a brown leather base adorned with decorative spikes and colorful, eye-like embellishments. Its bold and stylish design makes it a statement piece for pets.

Leather Pet Accessories

Buckle leather collar

Premium double-layer cowhide collar with die-cast buckle. Hand-burnished edges, four earthy colors, three sizes for medium/large dogs—built to age, not fray.

Nameplate Leather Collar

Hand-cut from premium top-grain cowhide, this nameplate collar pairs chromed die-cast hardware with six-strand stitched strength. Built for medium to large dogs.

Cowhide Flat Leather Collar

Sleek, single-layer top-grain cowhide collar, edge-stitched with six-strand thread and finished with mirror-bright chrome hardware; the flat profile keeps it lightweight, low-bulk, and leash-ready.

Spiked Leather Collar

Premium top-grain cowhide, hand-stitched with six-strand thread and studded with gleaming die-cast spikes—bold look, zero bulk. Tough enough for the trail, sharp enough for the street, leash-ready right out of the box.

Leather Pet Accessories

PU Leather Collar

Supple PU leather band edged with mirror-chrome hardware, stitched for durability and soft against the coat—light, low-bulk, and ready for daily adventures.

Pu Leather with Locator Collar

Vegan PU leather collar trimmed with mirror-chrome hardware and an integrated AirTag slot. Lightweight, weather-ready, and leash-ready straight out of the box.

CHANEL Style PU Collar

Quilted vegan PU channels Chanel Piped with mirror-chrome hardware. It wraps small to large dogs in lightweight, wipe-clean luxury; leash clips on in seconds and couture walks out the door.

Colorful Floral PU Collar

Garden-fresh floral print on wipe-clean PU leather, edged with mirror-chrome hardware and ready for the leash—lightweight, vivid, and built for everyday bloom.

Leather Pet Accessories

Short Leather Leash

A classic design, offering a timeless and elegant accessory for pet owners. Crafted from high-quality cowhide leather, it features a smooth finish that not only looks sophisticated but also provides a comfortable grip.

Classic Leather Leash

A classic and elegant accessory for pet owners who appreciate traditional style and durability. The use of genuine leather ensures the leash is durable and can withstand regular use without losing its shape or strength.

Solid PU Leash

Polyurethane material, offering a vibrant and modern look for pet accessories. It's designed with both style and functionality in mind, featuring a smooth, durable surface that is easy to clean and maintain.

Leash with Webbing Design

A modern webbing design that combines functionality with a contemporary aesthetic. It is constructed from durable, woven fabric, which is both lightweight and strong, making it suitable for various breeds and sizes of pets.

Leather Pet Accessories

Leash with Buffering Effect

A design with both functionality and comfort in mind, featuring a unique buffering effect that enhances the walking experience for both pet and owner. It helps to absorb shock and reduce pulling strain, making it easier on the owner's arm and hand during walks.

Classic and Minimalist Leash

A simple yet functional accessory design that embodies the "less is more" principle, offering a reliable and stylish accessory that focuses on the essentials of pet walking.

Leash featuring Cuban Link Chain

A striking collar and leash combination design that incorporates a Cuban link chain, offering a blend of strength and style. It features a black leather strap adorned with silver-toned studs, adding an edgy aesthetic to its appearance.

Hands-Free Leather Leash

A hands-free leather design includes an adjustable strap that can be worn around the waist or over the shoulder, allowing pet owners to have their hands free while walking their pet.

Leather Pet Accessories

Cloth and Leather Leash

Top-grain cowhide meets rugged cloth for a leash that grips comfortably and wears tough. Antique-bronze hardware adds vintage character while the stitched union of leather and fabric resists daily pulls and weather.

Copper Pipe Leather Leash

A simple yet functional accessory design that embodies the “less is more” principle, offering a reliable and stylish accessory that focuses on the essentials of pet walking.

Double Dog Leash

Double-dog duty made easy: two swiveling leads branch from one padded handle, each strap cut from supple top-grain. The soft-grip handle distributes pull across your palm.

Triple Dog Leash

Triple-strap luxury in one hand: three buttery top-grain cowhide leads merge into a single, softly padded handle, spreading pull evenly across your palm

Retractable Pet Accessories

Our retractable leash line puts every dog-walking need into one hand. A single thumb button releases and locks the cord in a heartbeat, while an internal anti-burst brake absorbs sudden lunges for jerk-free control. Each model glides through 20 000–50 000 smooth cycles, pairs rugged ABS housings with soft-grip TPE.

Whether you need feather-light portability, an oversized comfort handle, or a traffic-ready spotlight, the series delivers tangle-free freedom and instant lock security in one sleek, click-and-go package.

Extra Large Tension Leash

It's a durable ABS/TPE housing with a precision movement system rated for over 50,000 smooth extensions. The anti-explosion ribbon stays taut under sudden pulls, one-click brake-and-lock sets length instantly, and the built-in bag compartment keeps walks ready and clean.

Waterproof Pet Accessories

Portable Dog Leash

This rugged ABS/TPR retractable leash hides a fatigue-tested mechanism rated for 50,000+ buttery extensions; the anti-explosion ribbon stays calm during sudden lunges, and one-click brake-and-lock sets length instantly.

Dog Leash with Lighting

Night-ready ABS/TPR retractable leash pairs an anti-explosion ribbon and a fatigue-tested mechanism rated for 50,000+ smooth extensions. One-click brake-and-lock gives instant control, while the built-in LED handle light keeps nighttime walks safe.

Dog Leash with Adhesive Lighting

This ABS/TPR retractable leash pairs an anti-explosion ribbon with a fatigue-tested mechanism rated for 50,000+ silky extensions. One-click brake-and-lock gives instant control, while an integrated high-intensity spotlight and hidden waste-bag compartment keep night walks bright, tidy and tangle-free.

Waterproof Pet Accessories

Our exclusive Waterproof Series, designed to ensure comfort, safety, and style in all weather conditions. Our collection includes waterproof dog collars, harnesses, and leashes, all crafted with high-quality materials to withstand the elements while providing a comfortable fit for your furry friends. The Waterproof Series is perfect for active pets and their owners who enjoy outdoor adventures, ensuring that both you and your pet can enjoy your time together without worrying about getting wet or dirty.

Waterproof Harness

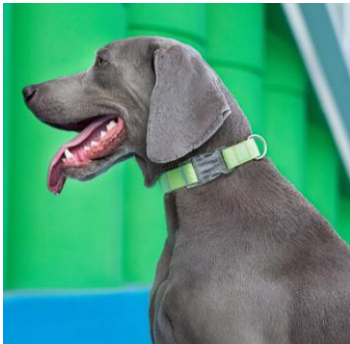

The Waterproof Dog Harness is designed with a Y-shape to distribute pressure evenly and minimize discomfort, features adjustable straps to fit any pet size, includes reflective material for safety in low-light conditions, and offers multi-use functionality as both a front or rear lead, ensuring comfort and control during walks and outdoor activities.

Waterproof Pet Accessories

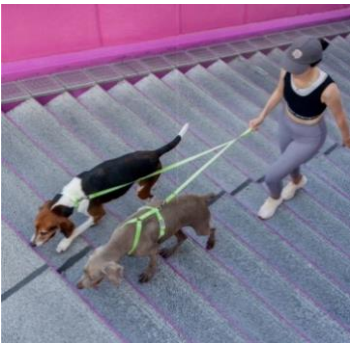

Waterproof Collar

The Waterproof Dog Collar is designed to keep your pet stylish and comfortable in all weather conditions, featuring an adjustable fit for all dog sizes, a customizable tag for personalization with pet information, soft and strong material that is comfortable and durable, waterproof properties for easy cleaning, and effective odor control to maintain freshness even after muddy play.

Waterproof Leash

The Waterproof Dog Leash is crafted for durability and user-friendliness, ideal for daily walks or more adventurous outings. It offers various length options to suit different needs, is strong and durable to withstand pulling and chewing, features a waterproof surface for easy cleaning after muddy walks, and includes a secure attachment with a strong clip for safe harness or collar connection.

Impian *Pets*

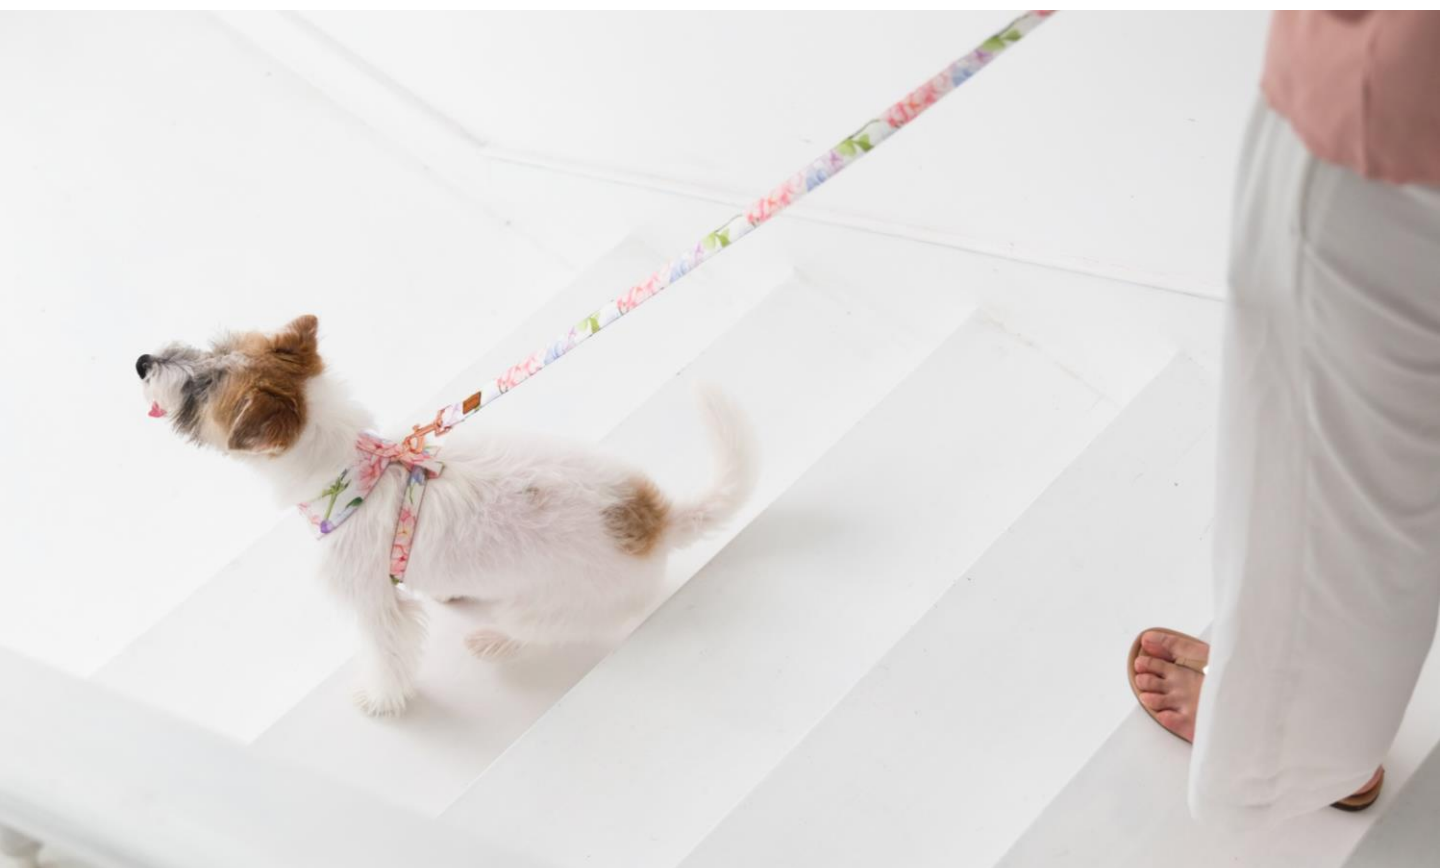

Cotton Pet Accessories

Designed for everyday comfort and city-to-trail versatility, the cotton line wraps pets in soft, breathable fabric without sacrificing control or style. Each piece pairs baby-grade cotton with lightweight hardware to keep necks and chests cool, while exclusive prints turn daily walks into fashion statements.

Cat Collar with Cotton Bell

Spun from infant-grade, skin-friendly cotton, this collar feels like a soft hug around your cat's neck—breathable, hypoallergenic and irritation-free. An anti-choking safety breakaway buckle snaps open instantly under 3 kg of force, releasing your curious explorer from snags or tight spots. A whisper-soft bell keeps tabs on stealthy paws without startling sensitive ears—just a gentle chime to let you know every graceful move.

Cotton Pet Accessories

Cat Collar Cotton Bow Tie

Ultra-soft infant-grade cotton cradles even the most delicate feline necks, while a three-layer composite build keeps the band feather-light yet strong. A reinforced inner lining flexes with every leap, preventing rubs and adding long-wear durability. The detachable, double-layer 3D bow tie pops on or off in seconds for instant day-to-night flair. Should curiosity lead to risky tangles, the smart safety buckle releases automatically at just over 3 kg of force—freedom without sacrifice.

Cotton Pet Harness

Wrap your cat or dog in three-layer comfort: an outer shell of infant-grade cotton keeps fur smooth and dander low, while the reinforced inner lining adds pillow-soft cushioning and long-wear durability. Every buckle, slider and D-ring is forged from high-quality, wear-resistant metal for a premium feel you can trust on every sidewalk or trail. Gentle on skin, tough on adventures.

Cotton Dog Collar

Woven from infant-grade, skin-friendly cotton, this collar cradles your pet's neck in cloud-soft comfort while keeping irritation at bay. Durable & premium metal hardware locks in security for every adventure—soft on fur, strong on safety.

Cotton Pet Accessories

Dog Collar Cotton Bow Tie

Made from infant-grade, skin-friendly cotton, this collar is as gentle as it is stylish. Triple-layer composite construction adds strength without bulk, while a reinforced lining stands up to daily tugging and play. Premium metal hardware delivers long-lasting security, and the detachable double-layer 3D bow-tie—crafted in contrasting colors—turns every walk into a fashion statement.

Anti-Pull Dog Harness

Crafted from infant-grade, skin-friendly cotton, this harness wraps your pet in cloud-soft comfort while keeping every walk under control. The front-clip design gently redirects forward motion, discouraging pulling without strain. A quick-fit buckle lets you put it on or take it off in seconds, and the plush inner lining cushions the coat against rubbing while absorbing the jolt of sudden pull.

Portable Felt Bag

Our Portable Felt Bags from the Rainbow Series are a vibrant and practical addition to any pet owner's collection. These bags are not just a fashion statement but also a convenient solution for carrying small pet essentials. Crafted with care, they are perfect for quick outings or everyday errands.

Pet Carriers

The collection of pet carriers is designed to provide a blend of functionality, comfort, and style for pet owners on the move. These carriers ensure pet safety and well-being while offering convenience for various travel methods. Key features include advanced ventilation for comfort, secure anti-escape zippers and safety tethers, ergonomic straps for ease of carrying, easy care with removable pads and foldable design, and chic, functional designs with peek windows and storage options.

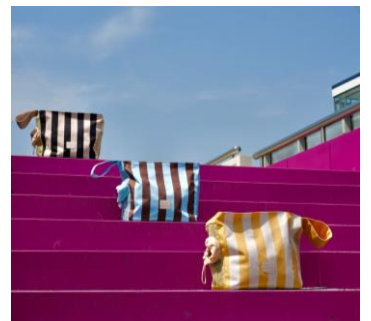

Cream Puff Series

This dual-side opening pet carrier offers optimal airflow with double-sided ventilation, ensuring your pet's comfort. Ergonomic shoulder straps provide all-day carrying comfort, and a safety-lock zipper prevents accidental openings. The interior safety tether keeps your pet secure, while the removable base pad simplifies cleaning. With multiple storage compartments and a fully foldable design, it's perfect for travel and easy storage.

Lightweight Striped Series

Lightweight and roomy, this pet carrier is travel-ready with comfy straps and airflow vents to keep your pet cool. A secure peek window and top zipper prevent escapes, and a safety tether keeps your pet safe. Easy to clean with a removable bottom and folds flat for storage. This pet carrier provides the perfect blend of comfort, security, and convenience for you and your furry friend.

Pet Carriers

Little Color Box Series

This pet carrier combines convenience with comfort for you and your pet. The full-front opening design and wide, comfy straps make carrying a breeze, while triple-sided ventilation ensures a cool and comfortable environment for your pet. Ergonomic shoulder straps provide all-day comfort, and the security-buckle zipper and interior safety tether keep your pet secure. Side peek windows offer a soothing view, and the fully foldable design is space-saving and easy to store. Perfect for any travel adventure with your furry friend.

Messenger Bag Series

Messenger Bag is designed for pet comfort and owner convenience. It features a spacious interior suitable for pets up to 10 kg, with a four-sided ventilation system for breathability. The bag offers a three-way opening for easy access and a foldable design for storage. It includes peek windows and storage compartments, with ergonomic straps for easy carrying. Perfect for travel by car, plane, or on foot.

Pet Toys & Other Accessories

Tease Dog Ball

Smart sensor ball wakes at touch, dodges obstacles, rolls quiet. IP54 shell shrugs off drool, E-TPU skin survives chomp after chomp, USB-C quick-charge — play on demand.

Golf Cat Ball

Golf-dimpled, food-grade silicone ball chirps like real prey when squeezed, cleans teeth as it's chewed, and cycles through bounce, roll or mixed motion to keep cats hunting all day.

Cat Laser Toy

This interactive laser toy keeps cats on their toes with a clever mix of motion and light. A silent motor, USB-rechargeable battery and 15-minute auto-shutoff give cats nonstop hunting fun without exhaustion.

Robot Pet Playmate

Robot Pet Playmate, 4 MP night-vision guard streams live, talks back, and fires a teaser laser. Six auto-play routines spin, swing and streak light to match any pet's mood, keeping the hunt alive while you're away.

Pet Toys & Other Accessories

Dual-System Tracker

Our smart tracker compatible with both Apple Find My and Google Find Hub for precise global tracking and route navigation. It features a built-in speaker for sound-based locating, real-time separation alerts, and multi-user sharing to let family members access item locations simultaneously.

Tracker Protective Case

Our tracker protective case offers genuine drop protection with rapid bounce-back impact absorption and deep waterproofing with a secure plug—making it fully washable and safe for pet use.

Impian *Pets*

Halal-Certified Pet Foods

Our Halal-Certified pet food line is purpose-built for every life stage—delivering over 70% traceable meats, omegas, and whey protein to protect heart, joint, skin, and vision health, while probiotic fibers and antioxidant fruits support digestion and immunity in recipes entirely free from artificial colors, flavors, and BHA/BHT, allowing dogs and cats to eat clean and thrive as they would on the pristine prairie.

Dog Food

Our Halal-Certified dog food features high-quality proteins like chicken and beef meals, fresh chicken, and fish oil, along with whole grains and vegetables. It's enhanced with probiotics for digestive health, prebiotics for joints, essential vitamins and minerals, and natural antioxidants.

Canned Dog Food

Our Halal-Certified canned dog food offers a variety of four delicious flavors—Chicken, Beef & Chicken, Mutton & Chicken, and Duck & Chicken—in convenient 170g or 375g sizes. Each recipe is formulated to provide a complete and balanced diet, ensuring your dog receives the essential nutrients needed for optimal health and well-being.

Halal-Certified Pet Foods

Cat Food

Our Halal-Certified Cat Food provides balanced nutrition with a blend of chicken, fish, and beef. Formulated with high-quality ingredients like fresh chicken, fish oil, and whole sheep milk powder, it is enriched with essential vitamins and minerals to support your cat's overall health.

Canned Cat Food

Our Halal-Certified Canned Cat Food, offering a variety of flavors to cater to your cat's taste preferences. Each can contains 85 grams or 375 grams, providing a convenient and nutritious option for your feline friend. They are formulated to provide a balanced diet, rich in essential nutrients to support your cat's health and well-being.

Cat Stick

Our Halal-Certified Cat Stick, available in three flavors: Chicken, Tuna, and Chicken & Tuna. Each stick is carefully formulated to meet the nutritional needs of your feline friend. All flavors include taurine, lecithin, mannooligosaccharides, xylo-oligosaccharides, vitamin A, vitamin D3, and vitamin E to support overall health.

Freeze-dried Pet Foods

Our freeze-dried product line spans original-cut meats such as chicken and capelin, compound formulas including raw meat-and-bone and chicken-blueberry granules, plus air-dried whole seafood, baked salmon rolls, steamed products, and freeze-dried lollipops. All products are manufactured under medical-grade standards with full-chain traceability and zero-quality-risk protocols, backed by IFS, BRS, FDA, and MSC certifications.

■ Original-Cut Freeze-Dried Products

Chicken

Crafted from premium chicken breast using advanced low-temperature freeze-drying technology, this single-ingredient treat retains the original nutrition and natural flavor that pets love. Serve it as a standalone treat or crumble it over meals as a flavorful topper to enhance palatability and nutritional value.

Freeze-dried Pet Foods

Capelin

Produced with fresh whole capelin rich in essential nutrients, this freeze-dried treat delivers high-quality protein along with a natural abundance of fatty acids, amino acids, and taurine. The gentle freeze-drying process preserves the fish's natural aroma and texture, ensuring irresistible palatability.

Lollipop

Crafted using advanced -35°C rapid freeze-drying technology followed by 48 hours of water sublimation, these innovative lollipops lock in freshness and preserve nutrients with a delightfully crispy texture. These nutrient-packed treats transform snacking into a shared moment between pets and owners.

■ Compound Freeze-Dried Products

Raw Meat & Bone

Developed using advanced freeze-drying craftsmanship, this high-protein, low-fat formula delivers balanced nutrition with excellent palatability. Serve dry as a crunchy, nutrient-dense treat—ideal for active pets and protein-rich diets.

Freeze-dried Pet Foods

Chicken & Blueberry Granule

This premium blend combines high-quality chicken with antioxidant-rich blueberries to deliver a dual nutrition boost that supports immune health and enhances overall vitality. The scientifically balanced formula provides pets with essential proteins and powerful antioxidants in every bit.

■ Air-Dried Products

Whole Cod Skin

Developed using advanced freeze-drying craftsmanship, this high-protein, low-fat formula delivers balanced nutrition with excellent palatability. Its naturally chewy texture is rich in collagen and suitable for pets of all sizes.

■ Baked Products

Salmon Rolls

Made from deep-sea salmon that is slowly baked to perfection, these rolls retain abundant natural nutrition. Making them suitable for training, rewarding, or simply showing your pet some extra love.

Freeze-dried Pet Foods

Pet Bowls & Feeders

Automatic Pet Food Feeder

This pet feeder combines a generous 5L capacity with intelligent WiFi scheduling and a dual-bowl design, making it the perfect feeding solution for multi-pet households. Whether you're at the office or on vacation, control portions, set feeding schedules, and check food levels remotely via the smart app. With a dual-power system (adapter + battery backup), a seamless sealed hopper, and 304 stainless steel bowls, this feeder delivers freshness, hygiene, and total peace of mind.

Automatic Water Dispenser

This 2L automatic cat fountain features a food-grade SUS 304 stainless steel tray, a 120° motion sensor with 47-inch range, and three smart modes: Sensor, Intermittent, and Continuous. A 4-layer filtration system removes heavy metals and impurities, while the ultra-quiet 25 dB pump and LED indicators with dry-burn protection ensure safe, fresh hydration for up to 10 days with minimal maintenance.

Cat Litters

Our high-performance cat litter, designed to address the key concerns of cat owners, combining advanced technology with user-friendly features to provide an exceptional experience and meet the needs of both cats and their owners. This premium product excels in moisture absorption, forming solid clumps rapidly for easy removal. Its minimal dust content ensures a cleaner environment. The ultimate solution for maintaining a clean, fresh, and hygienic environment.

Odor Control Cat Litter

The Cool Clean Series is available in four unique scents: Apple, Coffee, Lavendar and Lemon. It is designed to neutralize unpleasant odors while keeping your cat's litter box fresh.

Tofu Cat Litter

Formulated with no fragrance, no deodorants, and no bacteria, this product delivers a natural and safe environment for your cat. Our litter is 99% dust-free, reducing airborne particles for a cleaner home. Plus, it features instant water absorption, forming quick and easy-to-remove clumps.

Cat Litters

Purple Fractured Rock Litter

Mineral Cat Litter offering a range of features that enhance convenience and cleanliness. With ultra-fine 1.5MM particles, this litter provides instant absorption and quick clumping, ensuring that moisture is rapidly soaked up and waste is easily manageable. Its unique formulation prevents sticking to the bottom of the litter box, reducing mess and simplifying cleanup. It also eco-friendly and safe for cats, being made from non-toxic, high-quality mineral soil.

Cassava Cat Litter

Cassava Cat Litter offers rapid water absorption and firm clumping in 3 seconds. Crafted from natural cassava flour, it minimizes dust, protecting cats' respiratory health and the home. It's safe, non-toxic, flushable, and features advanced odor control to keep the litter box fresh. Its formula is also great for long-haired cats, preventing fur from clumping.

Bamboo Cat Litter

Bamboo Cat Litter is a natural, eco-friendly option for cat owners. Made from pure bamboo, it offers superior odor control, high absorbency (98%), and is dust-free for a cleaner environment. The litter is highly absorbent, long-lasting, and ultra hygienic.

Cat Litters

Natural Mineral Formula Litter

With powerful long-lasting odor control, this product neutralizes unpleasant smells, ensuring your space remains clean and inviting. Plus, its antibacterial properties help resist germs, providing an extra layer of cleanliness and protection for you and your beloved cat.

Activated Carbon Formula Litter

Our Activated Carbon Enhanced Cat Litter is formulated with activated carbon, this powerful ingredient works to neutralize even the strongest odors, providing long-lasting freshness that keeps your home smelling clean and inviting.

Health Indicator

Sprinkle these color-shifting crystals into any litter and watch them flash instant clues about urinary pH. A quick glance at the changing hues gives an early heads-up on hidden troubles—cystitis, stones, infections—before symptoms explode.

Smart Cat Toilet

Our automatic cat litter box range offers open-top and enclosed models engineered for effortless, hygienic cat care. The open-top models feature an inviting, accessible layout that gives cats easy entry and a stress-free experience, blending seamlessly into modern interiors while keeping the litter area visible and approachable. For cats that prefer privacy, the enclosed designs create a cozy, secure sanctuary that naturally enhances odor containment and gives pets a sense of safety.

Enclosed Smart Cat Litter Box

This enclosed cat litter box is designed as a private, cozy sanctuary for cats weighing 1.5–12.5 kg, giving pets a sense of security while effectively sealing in odors. It features a 13L waste collection bin and intelligent auto-cleaning functionality for effortless maintenance.

Open-Top Cat Litter Box

This cat litter box features an inviting, open-concept design that gives cats easy access and a stress-free experience while blending seamlessly into modern home interiors. It features a generous 15L waste bin and intelligent auto-cleaning technology that makes daily maintenance virtually effortless.

Smart Cat Toilet

Open-Top Cat Litter Box

This cat litter box features a 360° rotating camera and full app control for real-time monitoring, remote cleaning, litter smoothing, and odor management. It's equipped with multi-layer safety sensors including gravity, infrared and hall effect, along with 3-UV sterilization in the waste compartment and multi-cat recognition with health tracking.

Auto-Flush Cat Toilet

Our Cat Toilet is a revolutionary product that transforms traditional cat litter management. It offers automatic cleaning, flushing, and deodorizing, ensuring a clean and odor-free environment. Connected to a smartphone app, it monitors your cat's health and provides real-time feedback. Using water-soluble mineral litter, it is eco-friendly and reduces long-term costs. With a sleek design, it fits seamlessly into any home decor, providing both functionality and style. Experience the future of pet care with this Cat Toilet.

Pet Cabin Dryers & Air Purifiers

Our range of pet dryers are designed to meet the diverse needs of pet owners and professional pet care businesses. Equipped with powerful motors and adjustable wind speeds, they ensure fast and efficient drying while providing a comfortable experience for pets. Advanced features such as ultraviolet disinfection, negative ion care, and infrared technology not only enhance drying efficiency but also promote pet health by maintaining skin and coat well-being. The intelligent temperature control system allows for precise adjustments to ensure pet safety and comfort.

62L Pet Dryer Box

62L Pet Dryer fits two 10kg cats with 3 air outlets (bottom + dual sides) for full-coverage drying. 1000W motor, 40dB quiet, 5 modes with one-touch control. Adjustable wind, heat, and timer. Tempered glass door, safety lock, side ventilation, and built-in fur collector. Easy-clean drain hole plus UV sterilization for germ-free drying.

63L Pet Dryer Box

2000W Pet Dryer with 63L capacity for two 12.5kg cats. Features a frequency conversion pure copper motor for ultra-silent operation. Includes UV disinfection, adjustable temperature (20-40°C), two one-button drying modes, and a large collection net for easy cleaning.

Pet Cabin Dryers & Air Purifiers

63L Upgrade 7-Speed

63L Pet Dryer for pets under 13kg. With Japanese NSK bearings and 7 wind speeds, it dries quickly and quietly in just 10 minutes. Features 360° air circulation, negative ions, infrared, and nano disinfection for healthy skin, shiny hair, and 99.99% sterilization.

	Napoleon: 2.5kg		Gold Layer cat: 4kg		Ragdoll: 6kg		Teddy: 7.5kg

67L Twin-turbine Clean Air

2100W Pet Dryer with 67L capacity for two 12.5kg cats. Features Japanese NSK bearings, fully enclosed waterproof motor, and triple air purification. Offers dual drying modes at 40db, 360° circulation, negative ions, infrared care, and 20-42°C temperature control for efficient, quiet, and comfortable drying.

	Yorkshire: 2.5kg		Gold Layer cat: 4kg		Ragdoll: 6kg		Teddy: 7.5kg
	7min		18min		25min		10min

68L Pet Dryer Box

68L Pet Dryer for two 10kg cats with 3 air outlets for all-around drying. A 1000W motor runs at just 40dB, with 5 modes and one-touch control. Freely adjust wind, heat, and timer for any coat type. Features a tempered glass door, safety lock, side ventilation, and a built-in fur collector. Easy-clean drain hole plus UV sterilization for germ-free, worry-free drying.

Pet Cabin Dryers & Air Purifiers

82L Dual-Fan Pet Dryer Box

82L Pet Dryer for two 15kg cats with dual-fan 360° airflow and a 1200W whisper-quiet motor (40dB). Customize wind, heat, and time across 5 modes with one-touch ease. Features a scratch-proof glass door, safety lock, and side ventilation for secure, stress-free drying. Easy-clean pull-out drawer and built-in fur collector keep maintenance simple.

180L Medium Pet Dryer

180L Pet Dryer for pets up to 45kg. Features Japan NSK bearings, 3 wind speeds, and quiet 40dB drying. Includes negative ions, infrared care, three UV lamps for 99.99% sterilization, and a toughened glass door for scratch resistance and noise reduction.

350L Medium Pet Dryer

350L Pet Dryer for pets up to 80 pounds. Dual fan system, 3 wind speeds, negative ion care, intelligent temperature control (20-42°C), nano disinfection (99.99% sterilization), and infrared design for healthy skin. Made of stainless steel and toughened glass for durability.

Pet Cabin Dryers & Air Purifiers

550L Large Pet Dryer

550L Pet Dryer for pets up to 120 pounds. Four separate drying areas with individual controls, 3 wind speeds, negative ions, intelligent temperature control (20-42°C), and nano disinfection (99.99% sterilization). Made from stainless steel and toughened glass for durability.

Pet Air Disinfection Purifier

Our pet air disinfection purifier is a compact white device designed for pet owners. It features a powerful H13 filter for odor and bacteria removal, adjustable speed settings up to 330m³/h, and seven suction tuyere for hair and dust. It includes a quiet sleep mode, customizable timer, real-time air quality display, and a child lock for safety.

Applicable space: 15-33m²

Pet Air Disinfection Purifier

360° intake traps floating fur on swap-out electrostatic cotton; H13 HEPA + modified carbon remove >95 % of 5 key pet odors & 0.1 µm allergens; top-layer UVC kills 99.99 % germs. 30 dB pet-calm white noise, auto sensors, app control, child lock. Built for fur, smell and germs, not just dust.

Applicable space: 40m²

Pet Cabin Dryers & Air Purifiers

Multifunction Pet Hairdryer

This all-in-one grooming center dries, trims and vacuums at the same time. Adjustable airflow and multi-stage heat let you tailor every session, while a built-in dust cup captures fur the instant it's loosened, keeping the room fur-free. A quiet motor stays under 73 dB to keep anxious pets calm, IPX4 splash protection adds shower-safe confidence.
